

## ***Chapoquoit Island Rules***

Chapoquoit Associates own all of the common property on Chapoquoit Island for the benefit of the 36 householders and their guests. The Chapoquoit Yacht Club (CYC) and its members are in every sense guests of the Associates with respect to the Clubs use of Little Beach and the Barn. Accordingly all CYC members and staff should observe the following rules at all times to ensure that the CYC and its members remain welcome guests.

**Driving and Parking:** Keep speeds at or below the posted 15 MPH limit as soon as you pass through the gates and until you leave the island. Minimize traffic on the Island by car-pooling and limiting trips. Leave your car parked only when involved in scheduled CYC activities. Put a CYC sticker on your windshield so that the guard can see it when you are entering the Island. Stickers can be obtained from members of the council.

**Safety First:** In using boats and particularly powerboats, in the vicinity of Little Beach, make sure to operate in a safe manner and not endanger anyone who is in the water or on the beach.

**Use of Common Property:** Please limit your use of property on the Island (Little Beach and the Barn) to Yacht Club activities.

**Jogging, Biking, Walking:** These activities are not permitted unless directly related to a Yacht Club activity. The guards have been instructed to turn away all folks who do not abide by this rule.

**Dogs: DO NOT BRING YOUR DOG TO THE ISLAND.**

**Boats and Equipment:** Because both the Barn and Little Beach get crowded, keep your boats and equipment in a manner that is both orderly and respectful.

**Questions:** If you have any questions, please ask the Sailing Program Director or any member of the Yacht Club Council.

The Associates recognize that the Yacht Club members are welcome guests and that the best way to foster good relationships is to avoid misunderstandings.

**Happy Sailing!**
